

BUSHEY AND DISTRICT u3a CHAIR'S ANNUAL REPORT 2025-26

We have had another very successful year! We currently have 50 Interest Groups and around 750 members. We've had new Members joining. And we have had a very good selection of guest speakers at the monthly Metropolitan meetings covering many interesting subjects.

We are, of course, all volunteers, and we really appreciate everyone's input, including Committee members, Group Leaders, those serving teas and coffees at the monthly meetings, and those checking us in and supporting the audio-visual kit. And those issuing the Newsletters and maintaining the 'user friendly' website. Plus many, many more carrying out behind-the-scenes tasks. I won't include any names – there would be dozens and dozens of them! – but many thanks to all of you!

I have enjoyed being Chair not least with the excellent support of the Committee, and more. Several of our Committee members were able to stand down at this AGM – but they have all offered to keep their roles, well done them!

I am sure we'll continue being a successful, happy, friendly and fun u3a, and supporting the wider community.
